DIBN Worksheet

- Where you have gotten “stuck” doing an evaluation?
- What kinds of tools would help you or others with common evaluation tasks?
- What characteristics do you look for in resources to help you perform evaluation tasks?
- Where do you currently go for help when you get stuck on an evaluation task?

The table below lists a few examples of DIBNs that EvaluATE has already developed, or is in the process of developing. We would like your input on what types of DIBNs you think would be useful for your evaluation work. Please use the space provided to list your ideas.
