how to make a video in
Adobe Voice

1. Create a New Story.
2. Enter title or idea.
3. Pick a structure or create your own.
4. Select a slide layout. (Repeat for each slide)
5. Add elements to each slide.
6. Pick a theme.
7. Select background music
8. Record voice over for all slides.
10. Share video.

Tips:
- Create storyboard and script prior to starting a video in Voice.
- Spell check all words carefully, voice does not spell check.
- Record slides all at once versus during slide development.
- Have fun!
