   Other (please describe)

Quality, Value, and Usefulness of the Evaluation

5. With as much detail as possible, describe how you or others you know used information from this evaluation. For example:

   - What did you learn from the evaluation?
   - How did the evaluation influence your understanding of the project that was evaluated or the problem/opportunity it was designed to address?

- What did you do with the information—did it influence any decisions or actions? Did you share the information with others?

- How did the evaluation of this project improve your understanding of evaluation in general?

- What lessons learned about the project or about the evaluation process will affect your future work?

If you have other information that is relevant for the judges' consideration of this evaluation, please share it here as well. Please limit your response to 500 words.
